Summary

I am a passionate about new technologies, technological challenges and learning different ways of dealing with a problem. I am too interested in meeting enterprising people to share stories, project ideas, successes and failures.

- React / Redux / ES6 / Typescript
- Javascript / AJAX / JSON / JQuery
- Apollo Server / GraphQL / React Query
- Cypress / React Testing Library / Jest
- Styled Components, Storybooks, TailwindCSS, MaterialUI, ChakraUI
- NextJS, Gatsby
- SASS / LESS / BEM / DRY CSS
- Accessibility
